Wash it, squash it, and go – every parent should have one!

The wonderful washable, squashable highchair is now available with alfresco fasteners to fix to outdoor and pavement style chairs.

The Totseat converts chairs of all shapes and sizes (including camping chairs) into a safe haven for a tot who can sit unaided, it's the ideal accessory for camping and caravanning – minimal luggage (folds up into it's own bag), and maximum impact.

Totseat is the most adaptable product of its type in the UK, and is the only one to carry the logo of the Child Accident Prevention Trust (CAPT) in recognition of its safety credentials.

The Totseat comes in a range of funky colours and costs £21.50 +postage from www.totseat.com

Get connected with motormonkey

The smallest, lightest in-car charger in the world, the motormonkey packs the power to keep your phone connected and your music motoring on even the longest car journey.

The motormonkey comes with adaptors for the most popular makes of mobile phone and also the connectors for iPod / iPhone, BlackBerry, Sony PSP – other adaptors can also be purchased if required. The slim line design means that the motormonkey is unobtrusive in your car (it sits flush against the 12 volt DC charger socket) and you can leave it plugged in, without worrying about draining your car's battery.

Each Kit includes: 1 x motormonkey unit; 1 x Samsung M300 / G600 adaptor; 1 x Nokia & mini Nokia adaptor; 1 x USB retractable cable; 1 x mini USB adaptor for Motorola Razzr, BlackBerry, and other USB powered devices; 1 x Sony-Ericsson K750i wide adaptor; 1 x DC 4.0 adaptor for Sony PSP and some digital cameras; 1 x LG Chocolate adaptor.

Available from powertraveller.com priced £20.
