Q I'm lucky enough to be heading to the Caribbean for a week – but where can I buy swimwear in winter?

A This is a common problem, thanks to our cold weather! But department stores like Fenwick stock many brands year-round, including Jets and Eres, while Harrods stock Elizabeth Hurley's label (also available at elizabethhurley.com). Specialist swimwear stores include Melissa Odabash and Heidi Klein, and now Marks & Spencer have year-round holiday shops. Online, visit swimhut.com, figleaves.com and claudiastrand.com.
